President's Message

Dear Friends and Neighbors,

It’s been five years since United Way of Wyoming Valley refocused the way we serve the community and embraced the role as a leading advocate for at-risk children and families. Those five years flew by, and I can say with a humble confidence and pride that thanks to you -- our donors, volunteers, and partners – lives are truly being changed.

We are very proud to share this annual report with you. Last year was an exciting time for our United Way. Many of our Poverty to Possibility initiatives experienced tremendous expansion and the new Nurse’s Pantry and Loads of Love programs were more successful than we could ever have imagined. Additionally, the integration of the Berwick Area United Way is now firmly on track and we are confident that the United Way presence in the Berwick community, like our work in Wyoming Valley and Susquehanna County, will continue to grow and be impactful.

While last year was certainly very busy, we also spent a great deal of time looking toward the future and the possibilities it holds. In 2021, the United Way of Wyoming Valley will be celebrating its 100th Anniversary. We will use our Centennial to celebrate our rich history and prepare for a very meaningful future. Although much has changed since our founding, the two constants that have stood the test of time are our deep commitment to the communities we serve and our sincere gratitude for you – our donors, volunteers, and partners.

Thank you for all you do for children, families, and the communities we call home. Thank you for demonstrating what it means to LIVE UNITED.

Sincerely,

Bill Jones, President and CEO

Making a difference by supporting our Funded Partners

Noah was diagnosed with Autism at an early age. His mom was devastated and didn’t know where to turn. But thanks to United Way donors, Noah received a scholarship to Wyoming Valley Children’s Association, just one of the community partners which United Way supports. Your support changed Noah’s life, and he is growing, learning, and thriving!
United Way Community Impact Initiatives

The Nurse’s Pantry

The Nurse’s Pantry provides at-risk students and families with access to items like hygiene products, lice treatment shampoo, clothing and even footwear, which address needs of an urgent nature. The Nurse’s Pantry enables the nurse to directly assist struggling students and families, and in turn help keep kids from missing school.

Loads of Love

United Way’s new Loads of Love initiative works hand-in-hand with The Nurse’s Pantry as a strategy to reduce chronic absenteeism in elementary schools. The initiative is to remove a barrier to school attendance by providing children a discreet solution to the challenge of having clean clothes, which can lead to bullying and other stigmas.

Wilkes-Barre Area School District honors United Way of Wyoming Valley

The Wilkes-Barre Area School District recently presented United Way of Wyoming Valley with its “Excellence in Education” award in recognition of United Way’s programs and initiatives at elementary schools in the district, including Real Men Read, Turn the Page, and The Nurse’s Pantry program, as well as other efforts to promote grade-level reading.
Supported by 500 community members, United Way of Wyoming Valley kicked-off its 2018 Annual Campaign on September 13th, asking everyone in attendance to “make their mark” on the lives of area children in poverty by supporting United Way. Our Poverty to Possibility movement is focused on working with community partners to develop long term solutions to cut childhood poverty in our area, address the issues of child abuse and neglect, and create workforce development initiatives for families in poverty. One out of every four children in Luzerne County currently lives below the poverty level.

Also at the event, United Way of Wyoming Valley presented its “Outstanding Partner of the Year” Award, generously sponsored by Community Bank, N.A., to the Wyoming Valley Children’s Association.

United Way of Wyoming Valley is deeply grateful to the dozens of companies who invited us to do campaign rallies, thousands of individual donors, the unwavering support of our Labor community and tireless volunteers. They have embraced our focus on reducing childhood poverty and showing families the pathways out of poverty, and together, donated $3.4 million to advance the movement.
Corporate Awards

United Way of Wyoming Valley’s special “Corporate Awards” recognize the generous giving and volunteer involvement that local companies and their workforces display toward United Way, not only at campaign time, but year-round, through employee campaign performance, CEO level of commitment to United Way, and a company’s level of involvement in United Way sponsorships, special promotion, special event and year-round activities.

Huge thanks to the 850+ volunteers from business, industry, health care and educational organizations who took part in the 27th Annual United Way of Wyoming Valley “Day of Caring” on Wednesday, May 15, 2019. Those volunteers fanned out to 50 locations across the Greater Wyoming Valley, providing their elbow grease and muscle to help out 38 different agencies and organizations. An estimated 5,100+ volunteer hours were dedicated during the Day of Caring for an estimated donation value of $129,795.00 in services.
United Way of Wyoming Valley’s Christmas in July Drive Competition feeds both the mind and the body. Employees at nearly 60 area businesses, industries, schools and other organizations spent the month of July holding food drives at their locations for the CEO/Weinberg Food Bank, or raising dollars to support the Dolly Parton Imagination Library, which provides free, high quality books to children from birth to age 5 to promote early learning and family reading.

When all was said and done, 15,647 lbs. of food was collected for the CEO/Weinberg Food Bank, and $30,936 was collected for United Way of Wyoming Valley’s Dolly Parton Imagination Library. Thanks to everyone who took part, including 1st place in food donations, Trion Industries, Inc., and 1st place in dollar donations, Berkshire Hathaway GUARD Insurance Companies.

Gravestone Manor is United Way of Wyoming Valley’s largest special event fundraiser.

Gravestone, originally conceived and staffed by our friends at Navient, celebrated its 20th anniversary this past October. Over this time period, Gravestone Manor has raised more than $415,000 which has benefited many Wyoming Valley residents.

We are extremely grateful to Trion Industries for providing us with space to “house” the show in its warehouse in Plains. Volunteers work weekends nine months out of the year building the show. The 2018 shows were a tremendous success, attracting over 3,000 patrons and raising $35,200.00

PLANNED GIVING:
The United Way of Wyoming Valley is committed to the long-term vitality of our community. In order to ensure that the needs of our community will be met well into the future, the United Way created a planned giving program. Through this program supporters are able to contribute lasting gifts that will continue to help those in need for years to come. Planned gifts are made through assets, to guarantee long-term impact. Whether through a gift of stock, bequest, life insurance policy or a trust, donors can contribute to the United Way of Wyoming Valley's endowment, which will allow us to create an ever-strengthening impact in our community. All donors who have made a planned gift, or who let us know that they will make a planned gift, will be included as members of our program. To leave a lasting legacy to the community by including the United Way of Wyoming Valley in your will or estate plans, contact Michael Bernhardt at mbernhardt@unitedwaywb.org.
